About Evolotek:

Evolotek is a global top-tier IT services partner designed to support startups to overcome obstacles to accelerate growth by providing top-notch technology development and maintenance services. We bring a decade of experience in customer IT services in various domains. Our leadership team spent many years supporting the financial industries, insurance companies, government, and startup companies.

We offer a one-stop-shop partner that specialized in tailoring the best support structure for our client's needs. We work together with our clients to create centers of excellence, scrum teams, and production support centers in different models of operation such as full managed services, outsourcing, staff augmentation, and/or partnerships.

Evolotek is proud to be an Equal Opportunity/Affirmative Action employer committed to hiring a diverse workforce and sustaining an inclusive culture. Qualified candidates must be legally authorized to be employed in the United States on an unrestricted basis.
